	)	
Defendants.	)	
	)	

---

This matter is before the court upon the magistrate judge's recommendation that defendant Management Analysis & Utilization, Inc.'s ("MAU") motion to dismiss IFA Rotorion-N America LLC's ("IFA") counterclaims be granted in part and denied in part . The record includes the report and recommendation of the United States Magistrate Judge made in accordance with Local Rule 73.02(B)(2)(a) and 28 U.S.C. § 636(b)(1)(B).

This Court is charged with conducting a de novo review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). No objections have been filed to the magistrate judge's report.

A review of the record indicates that the magistrate judge's report accurately summarizes this case and the applicable law. For the reasons articulated by the magistrate judge, it is **ordered** that defendant MAU's motion to dismiss IFA's counterclaims is **GRANTED** in part and **DENIED** in part as set forth in the Report and Recommendation, and MAU's motion to dismiss IFA's cross-claims is **DENIED**.

**ORDERED**, that the magistrate judge's report and recommendation is adopted as the order of this Court.

**AND IT IS SO ORDERED.**
